The Leader Store!

MERRY CHIMES OF CHRISTMAS TIMES.

The happiest Christmas Buyers are those who find their money going farther than they thought. We are not unwise men that can turn Five Dollars into Ten, but we can and do enable your Dollars to buy the most and best, and when in power of money more appreciate them in the Buying Season? We believe, candidly, honestly and thoroughly, that Leader prices are the lowest prices—that we sell Better Goods for the Same Money or the Same Goods for Less Money than other stores. Two years of service growing toward our ideals, but still short of them, have made this the busiest store Marietta ever had. If its methods and unacceptably fair prices have made it good for our every-day friends why should they not make every-day friends of all who drop in now? We intend that they shall.

LEADER DRY GOODS STORE.

WILL HE ESCAPE?

One of Aguinaldo's Generals Says the Filipino Leader Will Never Be Captured.

MAJ. MARCH HAS GIVEN UP THE CHASE.

The Fugitive Reported Heading Southward Accompanied by Three Soldiers and Two Women.

The Thirty-Third Infantry Suffered Terribly During the Few Days' March From Cavantes to Bagnien and Return.

Manila, Dec. 17.—Maj. Peyton C. March, of the 23d infantry, has abandoned his pursuit of Aguinaldo and has reached Bagnien in the heart of the Cordilleras, where the range is 8,000 feet high and where food is scarce and travel almost impossible.

From native couriers and Spanish prisoners it was learned that Aguinaldo left Bontoc, in the province of the same name, with three women and two soldiers three days ago, and headed southward, evidently for Bayombing, in the province of New Vizcaya, where it is thought he may encounter the Americans.

Maj. March's command was depleted 30 per cent by the two days' march from Cavantes to Bagnien, so he returned to Cavantes December 10. Scattered bands of Maenabebes, which have been operating in the north, are being collected with the intention of sending them back to Manila, as there is much sickness among them, and they are unfit for further mountain work.

Lieut. Chadwick and a correspondent, the latter commanding 30 Maenabebes, have visited the mountain town of Pamposo and received the surrender of a company of insurgents, including three officers, with their arms and ammunition.

Gen. Concepcion and other Filipino officers who have surrendered, have been taken to Yigan. Concepcion, who is cheerful, insists that the insurgent organization will be maintained, even

in the districts where the Americans are operating, also claiming that the Filipino leaders can use their troops when they desire. He suggests that the only method of terminating the war is the capture of Aguinaldo and the obtaining of an order from him for the troops to surrender their arms. But Concepcion believes Aguinaldo will never be captured.

Washington, Dec. 17.—Gen. Otis cables as follows:

"Manila, Dec. 16.—On the 8th inst., Gen. Smith, at Negros, reports that early in December a number of the inhabitants of four coast towns entered the mountains, believing the statements of Panay and Luzon agents that the Americans had been overwhelmingly defeated in those islands; that Aguinaldo was about to dictate terms of peace, and the American congress to confer independence when the established civil government of the island would be overthrown. They also were told that all Negroes were about to arise and drive out the Americans. No depredations were committed and no consequences of importance apprehended."

Senator Allen's Seat.

Washington, Dec. 17.—The question has been raised as to whether William V. Allen, appointed senator from Nebraska, can be seated. The contention of some is that Hayward never having taken his seat, the whole matter is in the same position as in states where the legislature failed to elect at the expiration of the term of his predecessor. Republican leaders in the senate say the Nebraska legislature discharged its duty in electing Mr. Hayward, and the fact that he did not qualify before he died does not affect the situation.

Mr. Adm. Beresford's Appointment.

London, Dec. 17.—Mr. Adm. Lord Charles Beresford Saturday morning confirmed the announcement of his appointment to the second in command of the British Mediterranean fleet. He has informed his constituents that this necessitates his resignation of his seat in the house of commons. He has represented York City in the conservative interest.

Will Wed a Nobleman.

Cleveland, O., Dec. 17.—Miss Harriet Wright, daughter of a broker, is to wed Count Alexander Mercati, son of the president of the Ionian bank. She met him in Switzerland.
